## Wedding style & hire specialists

.....

*Dream Builders!*

Eventcore is made up of a dedicated team of event professionals with over 20 years experience in the industry. Our team is made up of an operations manager, skilled and experienced event crew and our sales team, but we prefer to think of ourselves not by the technical job descriptions but as dream builders . A group of people who come together to make each and every event our clients dream come true.

Based in Port Douglas and will travel is our motto , servicing all local areas in and around the Port Douglas area including the Northern Beaches and Cairns but also with the ability to install events in hidden rainforest's, beach side towns and far flung event properties. We are only limited by your imagination. We are a "fully installed"company meaning we are able to bring all aspects of your event to life including furniture hire, lighting and styling and our company will manager your event from the first email to pack down.
